

COMPANY PROFILE

About Dakota

Dakota Integrated Solutions Ltd. is a technology-centric, customer-focused company which is well-versed in the provision and deployment of digital integrated data capture, printing, mobility, support and voice-enabled solutions across a diverse range of environments.

As technological advances emerge and develop, so do our solutions.

Thanks to our team of experts and their years of industry experience, we provide our customers with the most up-to-date and fit-for-purpose tools they need in order to maximise efficiencies and drive cost savings across their enterprise.
