PRODUCT DETAILS

Nightingale Cart

The Nightingale PC and Laptop carts have been designed in response to the challenges faced by the NHS in light of Covid-19. This product is designed for streamlined supply and manufacture to enable us to supply high volumes of carts to our customers on a quick turnaround.

- **Short lead times**

Estimated two week lead time for high volume supply.

- **Storage space**

Available below the worksurface for SFF PCs, power adaptors and other essential items.

- **Easily cleanable**

Infection control friendly design, with anti-bacterial and cleanable surfaces, preventing accumulation of dirt and germs.

- **Flexible to your needs**

Able to accommodate and integrate a wide range of laptops, monitors and all-in-one medical grade computers.

- **Easy transportation**

Ergonomically designed with a small footprint, slim profile and built in handles for easy manoeuvrability.
