

Dakota has a long-standing working relationship with over 100 NHS Trusts. We can help you source the right labelling solution to meet the unique needs of your hospital application.

We have developed printing solutions able to integrate with your internal hospital systems: PAS, A&E, Theatre, Pharmacy, Labs, Asset Tracking, etc. As a Zebra Premier Solution Partner, we can offer you competitive pricing on the complete range of Zebra genuine labels.

We also work with other leading printer manufacturers, so we will be happy to support your label printing requirements, whatever they may be.

Labels for barcode printers

Case note labelling solution for Medical Record Departments

- A range of labels compatible with Thermal Transfer & Direct Thermal printers
- Labels available in various sizes
- Labels compatible with various printer models
- Matching thermal transfer ribbons also available

- Every label can be perforated for ease of application
- Matching thermal transfer ribbons also available

Cryogenic and Freezer Labels

- Labels able to withstand a temperature range of -196c to +120c
- Labels will stick to pre-frozen containers
- Range of sizes available

Labels for non-clinical services

- GS1 compliant GLN (Global Location Numbers) Labels
- Asset labels
- Chemical resistant labels

We offer the full range of Zebra genuine labels and ribbons, as well as matching barcode printers and scanners.

Healthcare Supplies Guide

Patient admission wristbands

Wristbands can be supplied in cartridges for use with the Zebra HC100 wristband printer, or in rolls for use with desktop printers.

We can help you deploy patient wristbands fully compliant with GS1 Standards.

We offer:

- The complete range of Zebra wristband products suitable for desktop or wristband printers
- Zebra LaserBands printed on a sheet using laser printers
- A standalone wristband printing solution for Maternity Units
- Coloured wristbands acting as visual alerts to help identify specific patient needs

Annual labels contracts

These are designed around your specific printer labels and ribbons requirements, and can help NHS Trusts achieve considerable savings on their annual consumable spend. *Other benefits include:*

- Consultative approach to provide the right labelling solution for your needs
- Fixed best price based on your total yearly requirements. Price guaranteed for 12 months
- Stock held in our warehouse, not on your shelf space
- Next business day delivery – you receive labels whenever you require them
- Invoices are issued after each delivery
- The correct amount of printer ribbons will be shipped for each delivery of labels

Ribbons for thermal printers

We offer the complete range of genuine Zebra ribbons, as well as genuine branded thermal transfer ribbons compatible with printer models by these leading thermal label printer manufacturers:

We will be happy to recommend the best ribbon for your printing requirements:

- Wax ribbons for standard printing on paper materials
- Wax/resin ribbons for excellent resistance to chemicals on paper and synthetic materials
- Resin ribbons provide ultimate durability against chemicals and heat on synthetic materials
